## 20 ARTISTS for the Exhibition <20 2020

For its VII Edition, <20 15x15 / 20x20 | PUNTO SULL'ARTE Collection, that will take place from **SATURDAY, JUNE 20, 2020**, will bring together, especially for this occasion, **20 artists, Italian and international**, well known in Italy and abroad, with a strong presence of sculptors that will exhibit their artworks next to the ones of the painters.

As in the past editions, all the artists will show brand new artworks following the standard sizes of 15x15 and 20x20 cm. Everyone will express himself without technical limitations, using varied techniques, for example, from oil colors to corten or from acrylics to glass and will be free to choose the subject he prefers.

All the artworks are created especially for this exhibition and are unique.  
A BILINGUAL CATALOGUE, with the reproduction of the artworks exhibited and the biographical notes of every artist, will be created by PUNTO SULL'ARTE.

This year, in the project room, there will be a selection of available artworks from the past years editions. The public will rediscover well-known artists of PUNTO SULL'ARTE including ANNALÙ with her resin trees, Ottorino DE LUCCHI's flowers, Federico INFANTE's portraits, Ernesto MORALES' clouds, Paolo QUARESIMA's still life, Tomàs SUNOL's Spanish alleys and the meticulous overlapping of Giorgio TENTOLINI. There will also be artworks from other famous artists such as Manuel FELISI, Michael GAMBINO and Sergio PADOVANI that we have exhibited only on the occasion of our summer Collection.
