The VIII Edition of the exhibition **<20 15x15 /20x20 PUNTO SULL'ARTE Collection** will open up on **Thursday, JUNE 17, from 3 to 7 pm** at PUNTO SULL'ARTE Art Gallery – Viale Sant'Antonio 59/61.

21 Italian and international artists have been invited this year to take part in the VIII Edition of the exhibition **<20 15x15/20x20 | PUNTO SULL'ARTE Collection**, an iconic and highly awaited formula of the gallery.

JEAN MARC AMIGUES, ANNALÙ, ROBERTO BERNARDI, CASAGRANDE&RECALCATI, DANIELE CESTARI, OTTORINO DE LUCCHI, MICHAEL GAMBINO, ANDREA GNOCCHI, SILVIA LEVENSON, MATTEO MASSAGRANDE, MARTA MEZYNSKA, JOHANNES NIELSEN, FUJIO NISHIDA, GIORGIA OLDANO, CIRO PALUMBO, ALEX PINNA, TOM PORTA, SILVIO PORZIONATO, RUDY PULCINELLI, PAOLO QUARESIMA, VALERIA VACCARO.

Core element since the first edition of this show is, as always, the square formats – 15x15 cm and 20x20 cm. There are no constraints on subjects and techniques, but only on the size of the works, so all the artists are free to express and can prove themselves on such a challenging research.

On show there are more than 80 artworks created with the most varied artistic techniques: from monotypes to drybrush, from glass to rope, from marble to paper, up until the most traditional oil and acrylic colors. All the artworks have been thought specifically for this exhibition and have therefore been designed as unique works.

In the Project Room at the ground floor of the gallery there will be a selection of available artworks from the past editions of the Collection created by, among others, Claudia Giraudo, Ernesto Morales, Sabrina Milazzo, Jernej Forbici, Marika Vicari and Brian Keith Stephens.

The exhibition is accompanied by a BILINGUAL CATALOGUE created by PUNTO SULL'ARTE containing the reproduction of the exhibited artworks.

The event is organized in compliance with the health regulations issued by Italian Government and the access to the Gallery will be limited. It is recommended to book a time slot from 3 to 7 pm for visiting the exhibition and avoiding waiting times.
